LEGISLATIVE CONTEXT

SB1014: EL legislation passed and signed into law on February 14, 2019, changing the minimum required daily minutes of ELD to:

- 120 minutes K-5
- 100 minutes 6-12

A. The state board of education shall adopt and approve research-based models of structured English immersion for school districts and charter schools to use.

LEGISLATIVE CONTEXT

Additionally, approved instructional models must adhere to the following criteria:

1. Provide coherent instruction aligned with this state's English Language Proficiency Standards.
2. Include oral and written language instruction, including structured opportunities to develop verbal and written skills and comprehension strategies.
3. Include access to complex language content through grade-level textbooks with appropriate supports.
4. Include parental engagement strategies.

ARIZONA'S LANGUAGE DEVELOPMENT APPROACH

4 PRINCIPLES OF THE LDA

PRINCIPLE 1

*Asset-Based
Behaviors & Expectations*

Presents a renewed vision of the **learner.**

PRINCIPLE 2

*Integrated Instruction
in Disciplinary
Language and Content*

Presents a renewed vision of **learning.**

PRINCIPLE 3

*Targeted and Explicit
Language Instruction*

Presents a renewed vision of **language.**

PRINCIPLE 4

*Assessment, Monitoring &
Feedback*

Presents a renewed vision of **learner progress.**

A COMPREHENSIVE APPROACH TO ELD

Integrated ELD

- Occurs throughout the day, and is designed for optimum EL engagement in content (e.g., ELA, science, art, math, etc.)
- Focus on access to grade-level content and development of discipline specific academic language
- All teachers with ELs in their classrooms use ELP Standards *in tandem with* Arizona's ELA/Literacy and other content standards

Targeted ELD

- A protected time during the day for specialized instruction focused on language for EL students
- Focus on additional linguistic support ELs need delivered through systematic, explicit, sustained focus on language
- Teachers responsible for targeted ELD use the ELP Standards as the focal standards in ways that build *into and from content instruction*

COMPREHENSIVE APPROACH TO ELD INTEGRATED & TARGETED ELD

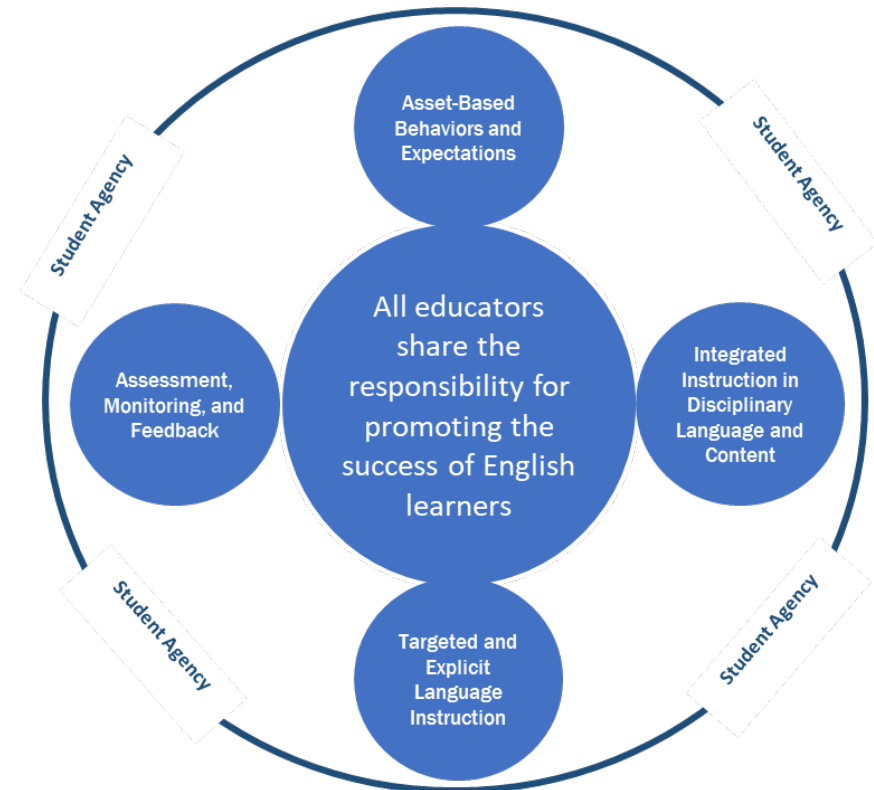

- Integrated ELD
- Targeted ELD
- Non-academic Time

This is based on the assumption of a 7-hour school day, 120 minutes of daily targeted ELD instruction, and 1 hour of lunch, recess, and passing or breaks each day.

SEQUENTIAL TO SIMULTANEOUS LANGUAGE DEVELOPMENT

IMPLICATIONS FOR ENGLISH LEARNERS WITH DISABILITIES

ARIZONA'S STRUCTURED ENGLISH IMMERSION PROGRAMS AND INSTRUCTION

FREQUENTLY ASKED QUESTIONS

Who should receive EL services?

EL services should solely be provided to students identified with a primary home language other than English as documented on a Home Language Survey and tested less than proficient on their AZELLA placement test.

FREQUENTLY ASKED QUESTIONS

Can IEP Teams remove ELs with disabilities from EL Services?

Arizona can no longer allow for IEP Teams to remove an EL with disabilities from EL Services.

The ONLY way for an EL with disabilities to be withdrawn from EL Services is for the student to demonstrate English language proficiency on a “valid and reliable ELP Assessment”.

FREQUENTLY ASKED QUESTIONS

Does every campus with EL students, regardless of the SEI Model, need to provide targeted EL instruction from an EL Specialist and not a classroom teacher?

Each model notes that any teacher responsible for teaching any portion of Targeted English Instruction or Integrated Instruction as part of the required minutes, must have the state SEI Endorsement, ESL, or BLE endorsement.

FREQUENTLY ASKED QUESTIONS

When are EL students exited from EL programs and services (*for ESEA purposes*)?

An English learner can only be exited when the student satisfies the statewide exit procedures.

Arizona's standardized exit procedures require that an EL student demonstrate proficiency on the AZELLA.

FREQUENTLY ASKED QUESTIONS

If a district or school site has determined that the Special Education teacher will be responsible for providing Targeted ELD, **which standards do they need to use?**

Teachers responsible for **Targeted ELD** use the English Language Proficiency Standards to drive the planning, instruction, and assessment of a lesson in a way that builds into and from content instruction.

FREQUENTLY ASKED QUESTIONS

Are we still required to complete ILLPs?

As of the 2020-2021 school year, ILLPs are no longer an option, therefore documentation is no longer required.

FREQUENTLY ASKED QUESTIONS

If a district or school site has determined that the Special Education teacher will be responsible for providing Targeted ELD, are IEPs evaluated as part of EL Program Monitoring?

IEPs are not requested or evaluated as part of EL Program Monitoring.

Documentation and evidence of Targeted ELD required for EL Program Monitoring include:

- Form response explaining your district's processes and procedures for providing ELD instruction.
- Master schedules/student schedules.
- Lesson plans using ELP Standards.
- SEI Endorsement for teachers providing the required ELD minutes.

FREQUENTLY ASKED QUESTIONS

Who should be a part of planning for EL services for dual-labeled students?

In addition to the required IEP team participants under IDEA, it is essential to include educators who have knowledge of the student's language needs.

Including but not limited to:

- Trained educators or experts in second language acquisition
- Trained educators or experts in differentiating between a student's disability and/or lack of English language proficiency.
