**Integrity Error -40066**

Error Message:

The Special Education Setting must match the program name.

Description:

If the submitted Least Restrictive Environment (LRE) does not match the program name, then report the discrepancy as an error.

Example:

- SPED
  - LRE Name
  - LRE DescriptorID

➡️

-40066
Does the DescriptorID sent by the Student Information System match the LRE Name submitted?

➡️

Student Information Systems associate an ID number with the name of the LRE. The SIS Vendor must assist resolving the DescriptorID submitted.

Troubleshooting:

- Review the SPED10 report to verify the Name of the LRE submitted.
- Contact your Student Information System Vendor to validate the DescriptorID sent for that record.
- Student Information System Vendors can use the Use Case documents on the AzEDS for Developers webpage for supporting documentation.
  - ProgramName and SpecialEducationSettingDescriptorID are submitted in the Table: edfi.StudentSpecialEducationProgramAssociation
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report.

A listing of all Integrity Rules can be found on the AzEDS website.
