

CABINETMAKING 48.0703.00

Program Description, Industry Credentials, Coherent Sequence, and Teacher Certification Requirements

PROGRAM DESCRIPTION

The **Cabinetmaking** program prepares individuals to apply technical knowledge and skills to set up, operate and repair industrial woodworking machinery, and to use such machinery to design and fabricate wooden components and complete articles.

The **Cabinetmaking** program is delivered as a coherent sequence of courses designed to offer students knowledge and skills that meet the needs of the workplace. The Professional Skills developed by business and industry leaders across Arizona are integrated throughout the program. **Cabinetmaking** students learn how to get along with their team members, to make critical decisions, to solve problems, to develop respect, and to be successful in their chosen occupation. Students also develop leadership, social, civic, and career skills through their participation in the state-recognized Career and Technical Student Organization, SkillsUSA.

The **Cabinetmaking** instructional program prepares students for entry-level employment, further training, and/or postsecondary education for these and other occupations: Cabinetmaker, Bench Carpenter, Wood Model Maker, Wood Patternmaker, Sawing Machine Setter, Wood Operator, Wood Tender, Woodworking Machine Setter, and Except Sawing
