

Letter of commitment to compete at the 2022 Welders Without Borders: Welding Thunder Team Fabrication Competition to be held at West-MEC Southwest Campus, Buckeye, Arizona. (Due no later than October 14th)

School Name: _____

Instructor Printed Name: _____

Administrator Printed Name: _____

Dear: Mr. Eric Phye, West-MEC Student Chapter Leaders and Administration

Please accept this letter of intent to compete at the 2022 Welders Without Borders: Welding Thunder Competition to be held on your campus in Buckeye, Arizona Friday November 18th and Saturday November 19th, 2022. We understand the importance of this letter as it relates to planning for this event and give you our commitment to be in attendance as one of the competing teams to represent our school, program, and community.

With this letter we acknowledge the necessity to submit all registration forms, registration fees, and to purchase the required materials as build components for this year's competition build and welder qualification test as listed in the guidelines. We are coming to demonstrate why our schools' team and welding program is one of the best.

Respectfully,
