| Additional Considerations | <ul style="list-style-type: none"> ● Failure to meet the annual training requirement can result in the LEA/charter being put on programmatic hold the following year. ● Site Administrator: This is the school principal or a designee (assistant principal, dean of students, etc.), who works most directly with the SCG-funded position (school safety officer) and is primarily responsible for the implementation of the program. <ul style="list-style-type: none"> ○ If a principal appoints a designee (assistant principal, dean of students, etc.) as the site administrator to oversee the Stronger Connections Grant, <u>both the principal and the designee must attend Leadership 100. Thereafter, the designee can attend SCG Advanced Course on behalf of the principal.</u> If there is turnover in either position, the continuing administrator must ensure that the current year's training requirement is met. The new administrator must attend Leadership 100. ● District Administrator: If you have schools that are part of the School Safety Program (SSP) <i>and</i> have completed your annual SSP training requirement (e.g., SSP Leadership 100), then you will not need to take Leadership 100 for the SCG grant. | |
| Optional Professional Development | <p>Electives will be available throughout all program years to all participants to support professional development</p> | |
