

# FY 2025 School Safety Program Training Schedule

## How to Register

**Step 1:** Visit the Law for Kids website: <https://lawforkids.org/programs/az-school-safety/training>

**Step 2:** Create an account or login to proceed

**Step 3:** Click the training that will meet your [annual training requirement](#)

**Step 4:** Select the date you wish you attend and register to be sent a confirmation email

**Step 5:** Open your confirmation email and follow the instructions to complete the registration process

**NOTE:** Training attendance is directly linked to the name of the person who registered for the training. Thus, **each person must register separately to ensure they receive their own training link**. To receive full credit for attending the training, you must login using your own training link and your own device. If attending virtually, devices must have functional audio and video to receive credit for training.

*Failure to meet your annual training requirement can result in your school district/charter being placed on programmatic hold next year.*

## Before the Training

**Pre-work is required for some trainings**, and it must be completed prior to attending the training. You will find information and links to any pre-work in your **confirmation email**.

# Leadership 100

**This is a one day training:** Leadership 100 walks participants through the philosophy and requirements of the program and the key roles and responsibilities of the participants. This training sets a foundation for multi-disciplinary team-based approaches, data-based decision-making, as well as best practices for school safety. Participants will learn how the activities of Officers, Counselors, and Social Workers are connected to school safety and comprehensive efforts to drive your program. Finally, participants will locate helpful tools, supports, and resources.

During this training, participants will engage in purposeful activities, have opportunities for asking questions, and network with other school communities.

**All Schools:** Required to attend either an in-person (within Maricopa County) or a virtual (outside Maricopa County) full-day, live, interactive training.

**Who Attends?** All the following who are NEW to the program in FY 2025 or who joined the program during FY 2024 but did not attend Leadership 100 training in that year:

- District Administrator
- Site Administrator (Principal and/or Principal's Designee\*, if applicable)
- Agency Supervisor

\*If a principal appoints a designee (assistant principal, dean of students, etc.) to oversee the School Safety Program, both the principal and the designee must attend Leadership 100. Thereafter, the designee can attend Advanced Leadership Training on behalf of the principal.

\*If there is turnover in either position, the continuing administrator must ensure that the current year's training requirement is met. The new administrator must attend Leadership 100 training.

\*If you are a returning position and have not attended SSP training for the last two school years, you are required to take the new position training (L100) again, as the training content may have changed substantially.

## New Counselor & Social Worker (CSW) Training

**This is a two-day training:** Day 1 is Leadership 100 and Day 2 is specific to CSWs. On Day 1, CSWs join Leadership 100 with other grantees (administrators, CSWs, and officers) to learn about the School Safety Program’s philosophy, requirements, roles and responsibilities, and school safety-related topics. On Day 2, CSWs attend with their peers to clarify program requirements, share tools to meet those requirements, and spend time sharing resources and building collaborative connections with other CSWs.

**Note:** All Counselors and Social Workers will register for both trainings under CSW in the law for kids website. It is *one registration link for both days*. **Do not** register separately for Leadership 100. Registering for New CSW Training will automatically register you for Leadership 100.

\*If you are a returning position and have not attended SSP training for the last two school years, you are required to take the new position training (New CSW) again, as the training content may have changed substantially.

**All Schools:** Required to attend either an in-person (within Maricopa County) or a virtual (outside Maricopa County) full-day, live, interactive training.

**Who Attends?** Counselors and Social Workers NEW to the program in FY 2025 OR who joined the program previously but did not attend the New Counselor Social Worker Training.

# New Officer Trainings (NOT)

This four-day in-person workshop covers community-oriented policing, the role of the school-based officers, and an introduction to Law Related Education (LRE) as an essential prevention tool. Day 1 begins with Leadership 100, where School Resource Officers and Juvenile Probation Officers attend training with other grantees (administrators, CSWs, and officers). Day 2 covers child and brain development, trauma-informed practices, and best practices for officers in schools. Days 3 and 4 take participants on a deep dive into Law Related Education, providing officers with classroom management techniques, space to share ideas and lesson plans, and knowledge of learning styles. Day 4 will also include working with students in special education. Officers leave with resources and tools ready to teach in the classroom.

**Please NOTE:** All Officers will register for both New Officer Training and Leadership 100 in the Law for Kids website under "New Officer Training". It is ONE registration for all four days. Do not register separately for Leadership 100. Registering for New Officer Training will automatically register you for Leadership 100.

**Who Attends?** Officers NEW to the program in FY 2025 OR who joined the program previously but did not attend the New Officer Training. **All SROs/JPOs: Required to attend either an in-person (within Maricopa County) or a virtual (outside Maricopa County) full-day, live, interactive training.**

# Advanced Law Related Education (LRE) Academy

See the [Law for Kids](#) website for a description of each Advanced Law Related Education Academy.

**Who Attends? Continuing Officers** – Upon completion of New Officer Training, officers are required to annually attend an Advanced LRE Academy through the Arizona Foundation for Legal Services and Education.

**FAQ:** Can a teacher attend the Advanced LRE Academy?

Yes, teachers may register and attend with the officer. A limited number of teacher scholarships are offered each year. Teachers create an account and register through the Law for Kids website.

**Note:** A teacher may be waitlisted to ensure officers on the grant receive priority.

## SSO Training (Year 2)

**\*Please note that the Asynchronous Training has been eliminated and is no longer required to be completed.**

Annual SSO Training (Year 2) shall introduce new School Safety Officers (SSO) to the philosophy of the School Safety Program, ADE program personnel, 3 roles of a SSO and its alignment to the SRO position, Law Related Education (especially the 'best practices' and introduction to Universal LRE lessons), as well as how to work most effectively within the SSAPT (school safety assessment and prevention team) on each campus.

**All SSOs:** Required to attend either an in person (within Maricopa County) or a virtual (outside Maricopa County) full-day, live, interactive training. Must complete this training prior to accepting any shifts as an SSO at a school.. <https://lawforkids.org/programs/az-school-safety/training/annual-ss0-trainings>

### Who Attends?

All Officers working as an SSO in their first or second year have not yet completed this course.

## School Safety Program (SSP) Advanced Courses

Returning positions that have completed their annual training requirements (*Leadership 100/New CSW Training*), you will attend one SSP Advanced University Course this year (see [SSP University Course Catalog](#) for more information). Unlike previous years, you will get to choose from a catalog of courses for a learning opportunity that best fits the needs on your campus or in your district.

**Please note:**

**\*These dates are final and no further dates will be added later in the year. We encourage you to sign up for training as soon as possible and do not miss the training you sign up for because there are no additional training dates being added. Please sign up for just one course!**

### SSP Advanced Course: Barriers to Bullying Prevention

This course will identify the common barriers that all schools face in their attempts to prevent bullying and provide a systematic approach to successfully implementing bullying prevention efforts. Throughout this session, you will navigate your district's/school's bullying prevention policies and practices to determine which barriers you are facing. When you have identified the unique barriers you are facing, this course will offer resources for you to begin planning your strategic efforts for bullying prevention.

**SSP Advanced Course:  
Supporting DAFN in Emergencies/Drills**

Recent legislative updates to Arizona Revised Statute 15-341 (31) (a) states that emergency response plans must address how schools will communicate with and provide assistance to students with disabilities. To support school districts in implementing this mandate, the School Preparedness team will discuss Senate Bill 1315, share resources from current ADE guidance documents, and discuss best practices. Ultimately, this training will focus on implementation guidance to help schools ensure all students are adequately cared for in emergency preparedness and response initiatives. Participants will leave with resources and actionable strategies to use in their emergency planning efforts.

**SSP Advanced Course:  
ASU Counselor and Social Worker Documentation Series:  
Expressive Therapeutic Interventions**

You may register for **one** of the following trainings:

**Expressive Therapeutic Interventions:**

Expressive arts interventions, used to address stress and challenges in children, can be a great intervention to utilize in a school based setting. This brief form of intervention can be administered in school counseling and classroom based settings, and utilizes a "bottoms-up approach", focusing on sensory and emotional awareness and regulation. When students can self-regulate, and co-regulate with others, it often results in better classroom behavior and improved learning. Come join us for a morning of experiential activities that you can use with students in individual and group settings.

**Please note:**

**\*Only training registered through Law for Kids counts towards your annual training requirement. Previously attended Documentation Series trainings or other training opportunities will not count.**
