K12 Math Standards

ADE Math Team

Marisa Tualla
K12 Math Specialist

Eboney McKinney
Director of Math and
Ed Tech Standards

Laurel Cherry
K-12 Math Specialist

Working Agreements:

- ❖ Everyone is MATH person, ALL teachers and students can participate in mathematics at high levels!
- ❖ We may say some things that challenge your thinking and that is ok.
- ❖ Our goal is to create mathematically proficient students, and "I do, We do, You do" cannot achieve this.
- ❖ We are ALL learners in this space.
- ❖ Being "fast" at math \neq being "smart" in math.

Math Resources

Math Resources

 [Connections for Success \(CFS\)](#) was developed after House Bill 2135 was passed in 2021. CFS focuses on high school math standards, specifically Algebra 1, Geometry and Algebra 2. Each document highlights a standard cluster and its vertical alignment to prior and upcoming standards.

Reach out to [Academic Standards](#) for an accessible copy of any of these files.

CONNECTING THE ENGLISH LANGUAGE PROFICIENCY	MATH TEACHING PRACTICES	STANDARDS FOR MATH PRACTICES

(Aligned to MTPs)

ADDITIONAL MATH RESOURCES

- [Instructional Routines](#)
- [Math Tasks](#)
- [Modernizing the Mathematics Classroom](#)

[Achieve the Core](#) has a [Coherence Map](#) for mathematics from kindergarten through Algebra 2. Standards relate to one another, both within and across grades. The Coherence Map is an interactive website that illustrates the coherent structure of the Common Core State Standards for Mathematics K–High School. This site provides one representation of how the standards are connected to each other and is derived from this [wiring diagram](#). A [great video](#) is linked to the site that illustrates the importance of coherence in mathematics. The [Coherence Map](#) shows the connections between common core state standards for mathematics.

Welcome to State Tutoring

FY24 Grant Application - *No longer available from Grants Management*

If your school site is interested and eligible as a D or F school for State Tutoring, your school site can still receive tutoring services through our approved providers.

Please note - For the NEW Achievement Tutoring program provided through ESSER funds, which is meant for individual students, please visit the [Achievement Tutoring homepage](#). The State Tutoring program is ONLY for eligible schools.

[2023-2024 Announcement Letter](#)

In accordance with [ARS §15-241 \(K\)](#): The ADE State Tutoring fund represents the program available to all pupils in a school assigned a letter grade of D or F. The parents or guardians of pupils attending a school assigned a letter grade of D or F may select an alternative tutoring program in academic standards from an approved provider.
