Integrity Error -40101

Error Message:

SPED Need Preschool Severe Delay (PSD) must be reported as the Federal Primary Need.

Description:

SPED Need Preschool Severe Delay (PSD) must be reported as the Federal Primary Need.

- SPED
  - Need(s)
    - Primary Student Need Indicator (Primary Need)
    - Start Date
    - End Date

➡️

-40101
- Is a SPED need of PSD reported?
  - Is it reported as Primary Need?
  - Are other qualifying needs reported?
  - Are the dates correct?
  - Needs adhere to Eligibility Matrix?

Relevant AzEDS Portal Reports for Troubleshooting:

- SPED10
- SPED72

Troubleshooting:

- Review the SPED72 report to see the data used to process integrity.
  - Verify PSD is reported as the Primary Need.
  - Verify that a single Primary exists for the date range that PSD is reported.
  - Check start and end dates for all reported needs and LRE(s).
- Verify that information is correct in your student information system (SIS).
  - Make corrections to SPED need(s), LRE(s), the FPN, and dates as needed.
  - Verify that needs adhere to the Concurrent Need Eligibility Matrix
  - After syncing to AzEDS, review the SPED10 report to check incoming data.
  - Check INTEG15 and/or SPED72 report for updates to integrity the following day.
- If necessary, contact your SIS vendor for guidance on how to report SPED needs and LREs.

Resources

A list of SPED-related integrity error tools and the Concurrent Need Eligibility Matrix can be found on ESS Data Management's AzEDS SPED Reporting page.

Listings of all integrity rules can be found on the ADE IT's AzEDS Reference page.
