McKinney-Vento Act

Best Interest Determination (BID)

Best Interest Determination (BID) for School Placement

Homeless Education
McKinney-Vento Act
Best Interest Determination for School Placement

The McKinney-Vento Act requires school districts to consider the school of origin as the first option in school enrollment. Parents may choose the school of origin or the school in the residency area where the child(ren) currently live (school of residency may also be referred to as local area attendance school). Individuals who may be consulted when determining what placement is in the child(ren)'s best interest include the following:

- child(ren) or youth experiencing homelessness,
- parent, guardian, or caregiver of the child(ren) or youth,
- district/charter homeless liaison,
- school site personnel (e.g., counselor, social worker, SPED teacher, etc.), and
- homeless shelter personnel.

It is the school district's responsibility to determine the school of origin and residency, and to resolve any conflict concerning the school placement by focusing on the best interest of the child(ren). Whenever possible, the school district should comply with the wishes of the parent, guardian, caregiver, or unaccompanied homeless youth. If the school district and parent, guardian, caregiver, or unaccompanied homeless youth do not agree on the appropriate placement, the school district's Dispute Resolution Procedure must be followed. In such cases, the child(ren) should be enrolled in the school that the parent, guardian, caregiver, or unaccompanied homeless youth has chosen until the conclusion of the resolution process. If the school of origin is determined to be the best placement, the local homeless education liaisons both school of origin and local attendance area school must work together to arrange transportation.

The McKinney-Vento Act requires that a child or youth experiencing homelessness attend:

- **School of origin:** School of origin is defined as "the school that a child or youth attended when permanently housed or the school in which the child or youth was last enrolled, including a preschool". Further, "when the child or youth completes the final grade level served by the school of origin, the term school of origin shall include the designated receiving school at the next grade level for all feeder schools [42 U.S.C. § 11432(g)(3)(I)]. or
- **Local attendance area school:** Local attendance area school is defined as "any public school that ~~enrolls~~ students who live in the attendance area in which the child or youth is actually living and eligible to attend" [42 U.S.C. § 11432(g)(3)(A)(ii)].

Whether the child or youth will attend the school of origin or the local attendance area school, enrollment should take place immediately.

See [42 USC CHAPTER 119, SUBCHAPTER VI, Part 8: Education for Homeless Children and Youth, \(38, 38\)](#) for more information regarding the "Best Interest Determination".

The information collected supports the agreement in determining the school enrollment in the best interest of the child or youth experiencing ~~homelessness~~ ~~and~~ will provide the input required to develop a written should the parent, guardian, caregiver or youth disagrees with the decision.

Important Information for use of the BID

- The school placement decision should be a **student-centered, individualized determination**, and LEAs must **presume** that keeping the student in the **school of origin** is in the student's best interest.
- A **sample Best Interest Determination (BID) Form** has been created for use by LEAs.
- **Written explanation** of any **decisions** related to school selection or enrollment is **required** including the **right to appeal** such decisions.
- **BIDs are not** held for **every eligibility determination**.

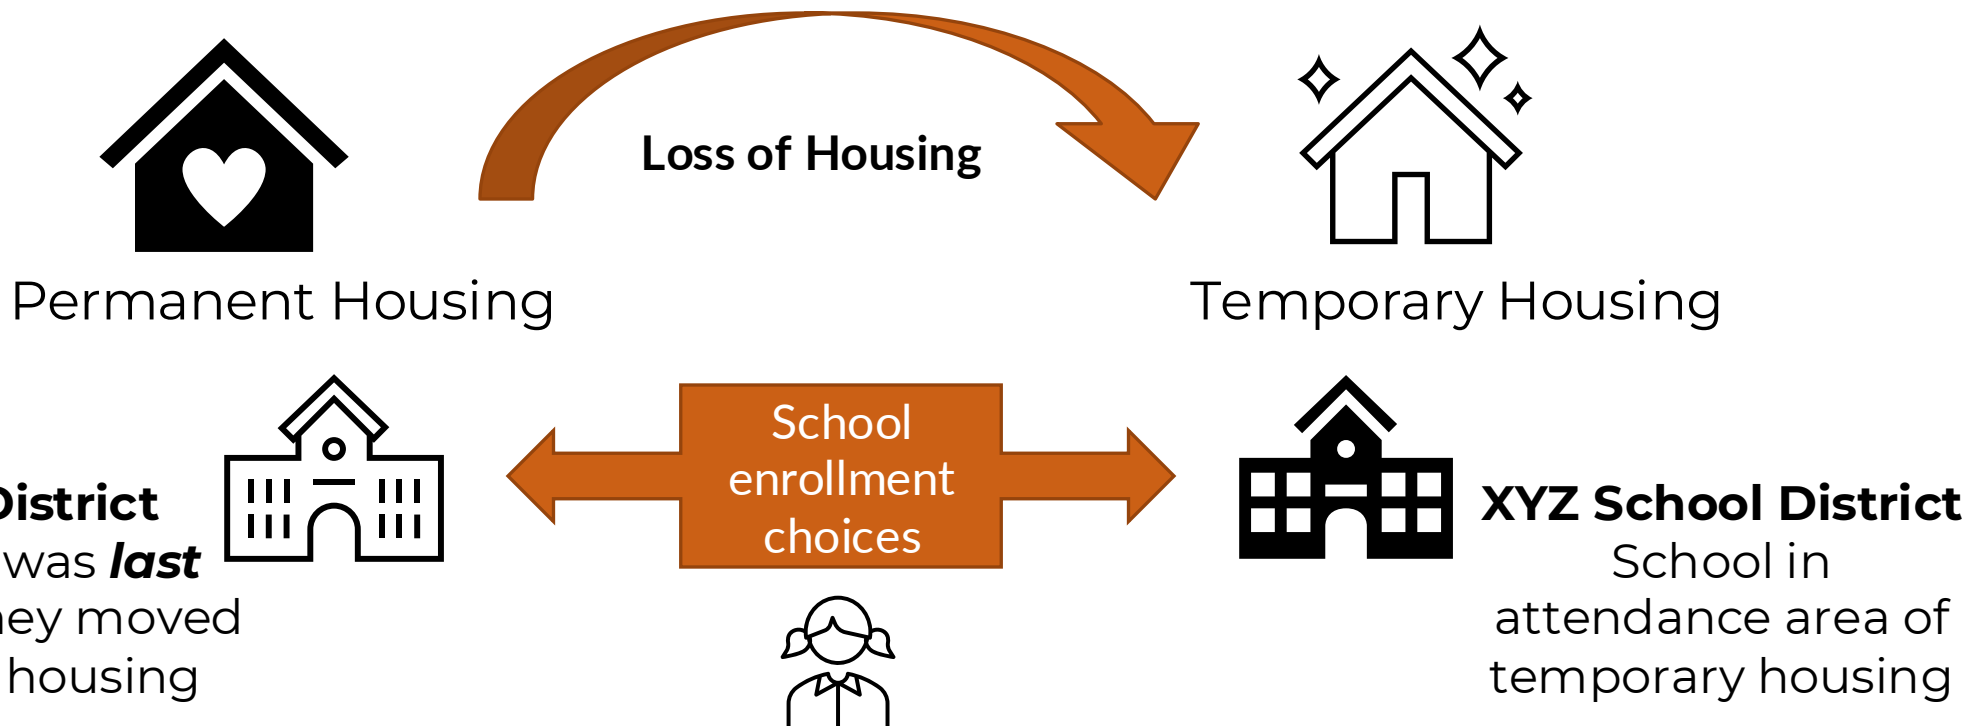

The Right to Transportation

LEAs must provide transportation to remove barriers to enrollment, attendance and retention for HCY.

LEAs must have procedures to ensure HCY do not face barriers to accessing academic and extracurricular activities.

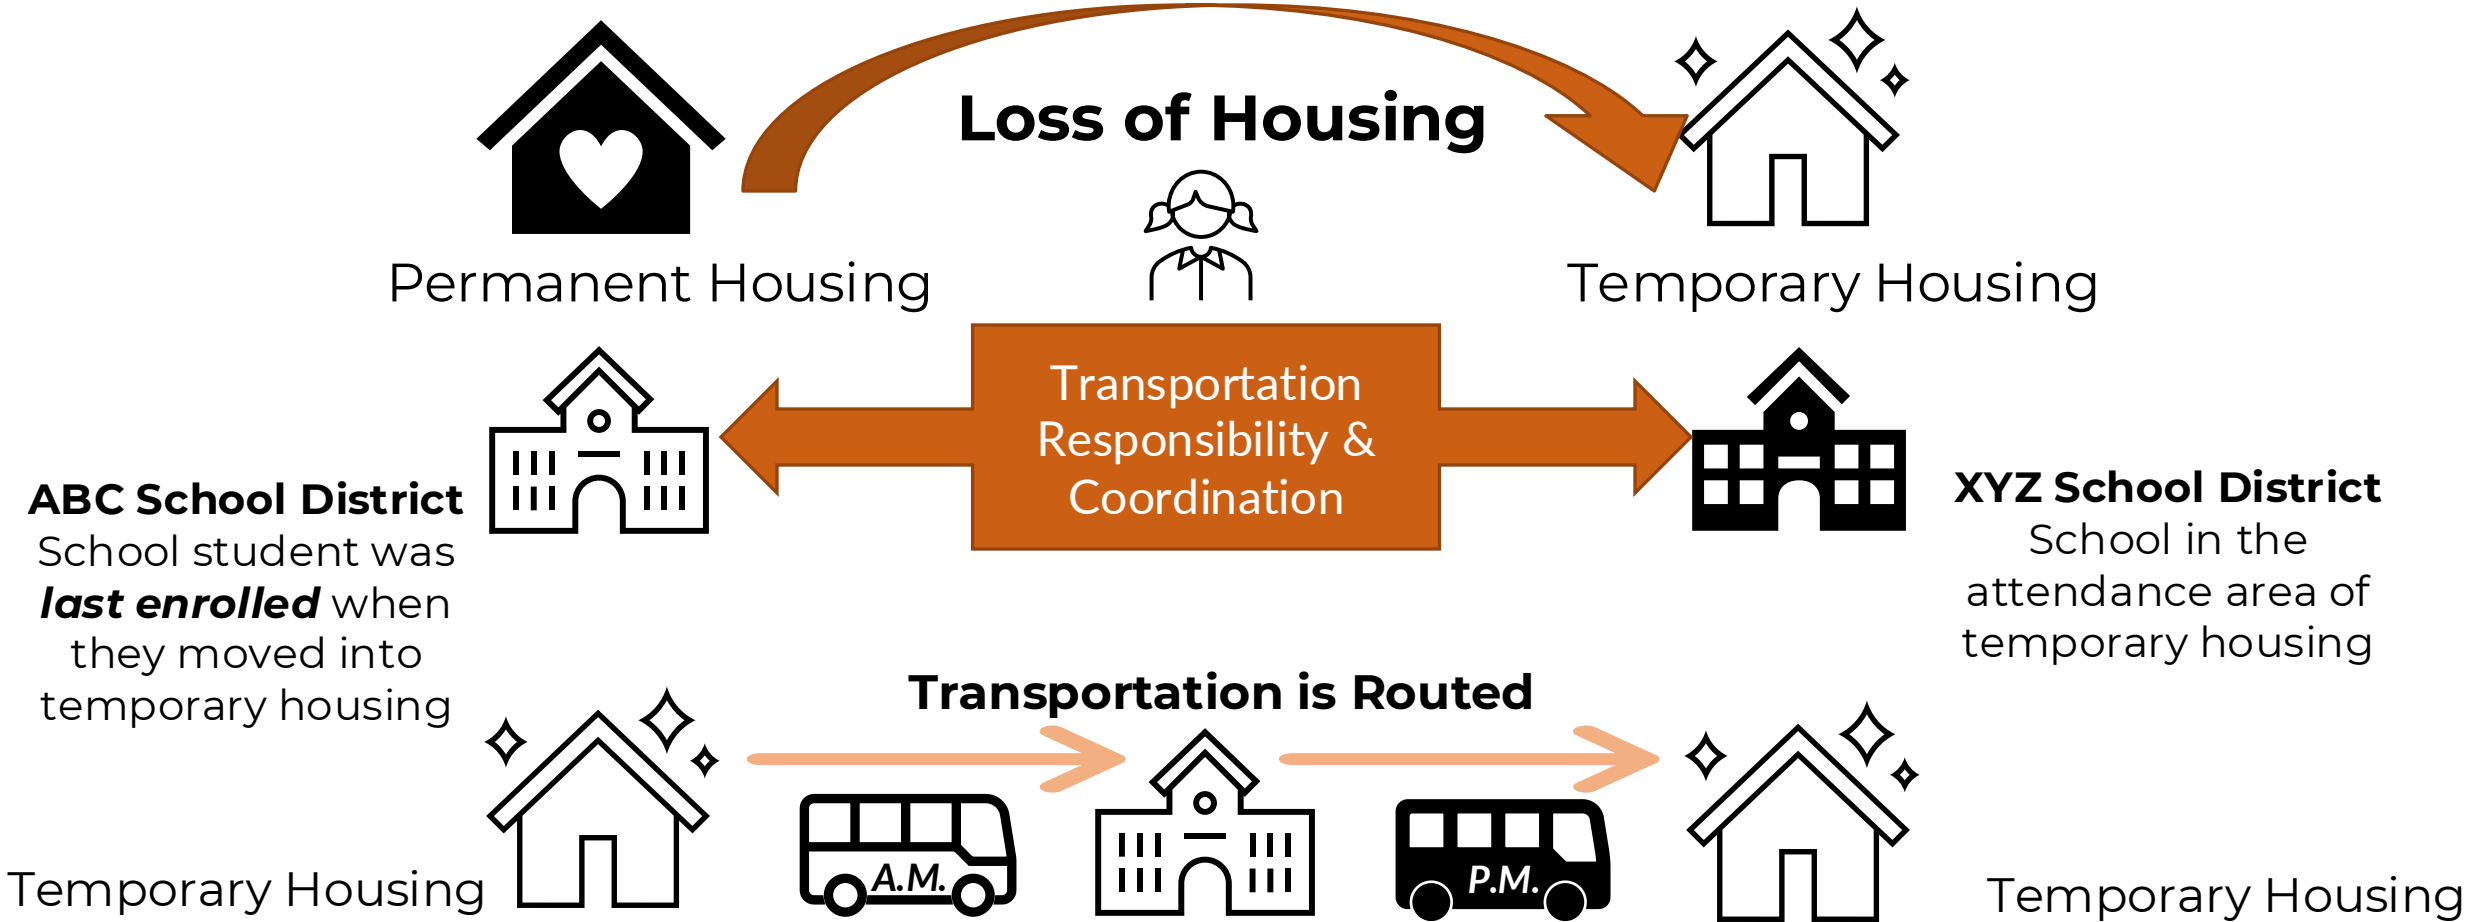

School Stability & School of Origin

School of origin is defined as “**the school that a child or youth attended when permanently housed or the school in which the child or youth was last enrolled, including a preschool**”.

In Need of Data Support?

- Last November, **SIS vendors were notified** that starting with FY25, ADE is collecting the Homeless Need as a Program and Unaccompanied Homeless Youth (UHY) is now a need tied to the Homeless Program.
- To accommodate this shift, **your SIS vendor should have modified its User Interface** to reflect the collection of the Homeless Need as a Program, with an option to flag the student as UHY.
- **To ensure that this update has been implemented, you'll need to submit a ticket with your SIS vendor** to ask for guidance on how to submit Homeless (with Unaccompanied Homeless Youth) data to the ADE since it was removed as a need and is now considered a program.
- Additionally, you can access the [FY25 Use Case](#) updates on the [ADE AzEDS for Developers webpage](#) for specific criteria and details. Please note that the descriptions for the Homeless Education Program will be updated to be more aligned with statutory verbiage in the FY25 Use Case document.

McKinney-Vento School Year 2024-2025

Calendar of Events

This calendar serves as a starting point for homeless liaisons to organize the implementation of requirements, outreach, resources, and other activities to support students experiencing homelessness, offering strategies and best practices on implementing the McKinney-Vento Homeless Assistance Act throughout the school year. It is essential for each local educational agency (LEA) to regularly update and customize this calendar to suit their specific needs. Newly appointed homeless liaisons can find additional information on their roles and responsibilities by visiting SchoolHouse Connection's [dedicated webpage for new liaisons](#).

AUGUST 2024

- Send a housing questionnaire to *all* families and follow up with all families who indicate they may be eligible for McKinney-Vento services. Be sure to include a question about younger siblings or non-school-aged children in the home.
- Ensure all eligible families are identified and services are set up.

SEPTEMBER 2024

- Provide annual staff training, including basic McKinney-Vento information and procedures for referring to the homeless liaison or building point of contact.
- Connect with feeder schools to share about students experiencing homelessness. Use Student Information System (SIS) reports sent each month to review.
- Connect with teachers, counselors, or other staff who may be teaching classes on social justice topics or have regular advisory or homerooms. Ask for opportunities to connect with these classes to share about homelessness in the broader community and connect with the homeless liaison or building point of contact if the student or family is in an unstable or homeless situation.

“The local educational agencies will designate an appropriate staff person, **able to carry out the duties** described in paragraph (6)(A), who may also be a coordinator for other Federal programs, as a local educational agency liaison for homeless children and youths..”

Liaison Capacity

Assessing the Capacity of LEA McKinney-Vento Liaisons for Children and Youth Experiencing Homelessness

Under the McKinney-Vento Act as amended by the Every Student Succeeds Act of 2015, every local educational agency (LEA) must designate a liaison for homeless children and youth. Liaisons must be “able to carry out” ten specific duties. 42 USC 11432(g)(1)(J)(ii).

The U.S. Department of Education Non-Regulatory Guidance states that LEAs “should allocate sufficient time for... liaisons to do their jobs effectively and should support them in fulfilling their duties as outlined in the law and in making timely decisions.” To determine the time needed to carry out the liaison’s duties, the Department directs LEA administrators to review the legal requirements for the position.

The chart below outlines the ten legal requirements of McKinney-Vento liaisons. 42 USC §11432(g)(6)(A).

It is intended to serve as a quick self-assessment of the extent to which of these duties currently are able to be carried out, and a plan for building the capacity to carry them out in the future. This chart is not intended to substitute for a comprehensive needs assessment. Rather, it is a simple tool to help LEAs quickly identify and prioritize areas where greater capacity is needed to carry out the law.

Legal Duty: McKinney-Vento liaisons <u>must</u> ensure that...	Quick Self-Assessment: 0 = Not able to carry out 5 = Fully able to carry out DK = Don't Know	Plan for Liaison Capacity	
		What Needs to Happen?	Who Needs to be Involved?
1. Homeless children and youth are identified by school personnel through outreach and coordination with other entities and agencies.
