Thank you, Veterans!

We're proud to have many WIOA Title II providers serve our Arizona veterans! We hope our service to them matches the gratitude we have for their service to our country.

Part II: November 20, 2024
3-4pm

REGISTER HERE

Share your story

What role does storytelling play in Adult Basic Education? Digital storytelling can help our students develop their skills in all areas: civics, academics, and workforce. In this Teaching & Learning Series, attendees will explore an overview of the digital storytelling process, get hands-on experience using digital stories and tools for the classroom, apply what they learned in their own classrooms, and receive individual and collective support and coaching. We will practice sample activities and share resources for accessing existing digital stories for inspiring more authentic and relevant story sharing and skills building.

Adult Education Administrator Webinar Series:
The Federal Tables and Putting Them to Use

</div>

Webinar topics will focus on providing current information, guidance, and promising practices for administrators to support program operations at the local level. Single registration enrolls you in all sessions and you can earn up to 8 PL hours.

December's session will highlight frequently referenced federal tables and ways to use data found in them to drive program improvement.
