Please note that there are Charter Schools on this list that have an FY 2024 October 1 Enrollment EL Count listed, but are "For Profit Entities" and therefore are not eligible to receive federal Title III funding. Also, there are LEAs on this list who have formally waived their respective FY 2025 Title III allocated funds.

How are students' anonymity protected in this report?

When a count in this report has 10 or fewer students, showing the count may risk an individual student's anonymity. In these cases, we do not report a count for that cell, and you will see an asterisk symbol (*) instead. We also report an allocation amount as an asterisk symbol (*) when it could be combined with other counts to reveal (back-calculate) hidden values.
