# Chapter 1:

# Introduction

The importance of providing a high-quality education to all Arizona children cannot be overstated or hold more emphasis in our state today. In 2011 and under the direction of the Arizona State Legislature, the ESA Program was developed to continue along the state's path of innovative education reform.

## Handbook purpose

The purpose of the ESA Parent Handbook is to provide parents information and guidance concerning the policies, procedures, and implementation of the ESA program.

## **What is an Empowerment Scholarship Account? (ESA)?**

An ESA is an account administered by ADEthe Arizona Department of Education (ADE) and funded by state tax dollars to provide options for the education of qualified students in Arizona, which includes preschool students with a disability and K-12 students eligible to enroll in an Arizona public school. ESA funds do not constitute taxable income to the parent of the qualified student.

The ESA program allows parents and guardians of qualified students to utilize state tax dollars through Empowerment Scholarships to purchase educational materials and services from qualified educational and retail vendors, private schools, and a variety of education service providers, and / or vendors. Eligible students receive Empowerment Scholarships that are equivalent to 90% percent of the state aid<sup>1</sup> funding that Arizona would have gone to the student's school district or charter school, spent on them had the student been enrolled in the students attended their local public school system. ESA contracts are offered and signed annually, but funds are dispersed quarterly schools.<sup>2</sup>

Pursuant to A.R.S. §15-2402(B)(1), an ESAArizona Revised Statutes (A.R.S.) §15-2402(B)(1), Empowerment Scholarship Account HolderHolders must use at least spend a portion of the funds their Empowerment Scholarships to provide an education in at least the following subjects: reading, grammar, mathematics, social studies, and science.

## **Accepting an Empowerment Scholarship Account**

By accepting an ESA, the Empowerment Scholarship, a parent or guardian becomes an Account Holder enters by entering into a legal contract with ADE pursuant to A.R.S. §15-2402(B)-A.R.S. §15-2402(B). In exchange for the Account Holder's commitment to the obligations set forth in the ESA contract and state law, ADE creates an ESA for the current school year and agrees to transfer ESA funds fund ESAs on a quarterly basis once the contract is executed by all parties.<sup>3</sup>

<sup>1</sup> This does not include any federal or local funding

<sup>2</sup> This does not include any federal or local funding

<sup>3</sup> Empowerment scholarships are based on current-year funding factors. However, when contracts are signed by parents prior to the second quarter of each fiscal year (October 1 through December 31), the contract will reflect funding factors from the prior fiscal year since funding amounts associated with current-year funding factors are not final until after the first quarter (June 1 through September 30) has begun. Final Empowerment Scholarship amounts cannot be determined until amounts associated with current-year funding factors are finalized in Quarter 1 of each fiscal year. As a result, in Quarter 2 of each fiscal year, Account Holders may see an adjustment to their students' Empowerment Scholarship amounts. An adjustment could be either an increase or a decrease to funding. Most funding adjustments are a small percent of total award.

Funding varies based on several factors including annual legislative state budget allocation appropriations for education, disability status, and the specific ESA eligibility category school district in which the student resides. Learn more at <https://www.azed.gov/esa/frequently-asked-questions>, <https://www.azed.gov/esa/esa-support>, under the *ESA Funding* dropdown menu.

### **ESA funding dates**

Funding Dates are as follows:

When your student has received his or her Empowerment Scholarship, the student's account will be funded according to the following schedule:

Quarter	Dates	Funding dates
<del>Quarter 1</del>	July 1 – September 30	July 15 – July 31
<del>Quarter 2</del>	October 1 – December 31	October 15 – October 31
<del>Quarter 3</del>	January 1 – March 31	January 15 – January 31
<del>Quarter 4</del>	April 1 – June 30	April 15 – April 30

**Attention:** Empowerment Scholarships are not intended to fund students who intend to be on the program only during the summer months by enrolling in the summer and then withdrawing and returning to a public school at the beginning of the new school year.

Families who apply, receive, and spend Empowerment Scholarships under this scenario will be asked to repay their scholarship funds and will be referred to the State Board of Education (SBE) for collections if they fail to repay the owed scholarship funds.

### **Empowerment Scholarships are stored in a digital wallet for each student**

Each student's ESA funds are stored and spent through a digital wallet. The digital wallet is on the ClassWallet financial solutions platform, with whom the state has a contract to administer the digital wallets. Each quarter, ADE funds the digital wallets and Account Holders are then able to spend their students' ESA funds.

### **Account behavior that can cause termination**

The Department reserves the right to terminate an ESA for violations of the contract (please refer to your contract for all terms and conditions), applicable policies, rules, or laws. Examples of violations that are likely to result in termination include:

- Enrolling the student in a public district school, charter school, ~~and~~/or public online ~~school~~school (including summer public school), without paying the public ~~school or charter school tuition for enrollment as an ESA student.~~
- Accepting any School Tuition Organization (STO) scholarship or tax credit scholarship concurrently while on an ESA contract in the same contract year.
- Failing to provide debit card transaction receipts by the quarterly deadlines.
- Failing to spend a portion of your student's ESA funds annually in at least the following subjects: reading, grammar, mathematics, social studies, and science.
- Misspending funds or committing fraud.

### **Handbook Purpose**

~~The purpose of the ESA handbook is to provide information concerning the policies, procedures, and implementation of the ESA program.~~

- Reselling items purchased with Empowerment Scholarships.

### **Handbook updates**

~~Pursuant to A.A.C. R7-2-1503(1), this handbook is reviewed by ADE~~Pursuant to Arizona Administrative Code (A.A.C.) R7-2-1503(1), ADE reviews this handbook under the guidance of the SBE. On or before March 1 of each year, ADE provides SBE with a handbook, developed in consultation with parents of children on the ESA program, that ~~which~~ includes information relating to policies and processes of ESA. SBE adopts the handbook on or before May ~~1st~~1 of each year. SBE limits substantive changes to the handbook to once every three years, ~~but~~. However, policies can and will be added and ~~/~~ or redacted in response to newly enacted legislation, court decisions, rule changes, and ~~/~~ or suggestions for best practices, which may occur more frequently, ~~in which case.~~ In these cases, ESA staff will notify Account Holders of these ~~types of~~ necessary change(s) to the handbook and their effective date(s) via the ESA website and ~~/~~ or through other types of communication.

### **How to stay updated**

We encourage ESA ~~Account~~ Holders to visit ADE's ~~ESA website,~~ESA website, for the most up-to-date information. ADE will communicate with ESA ~~Account~~ Holders by periodically sending ~~regular~~ emails.

### **Parent Advisory Committee**

The Arizona Department of Education developed the Parent Advisory Committee (PAC) as one of the ways it solicits parent feedback on specific ESA program processes and procedures. The PAC is a group of parents who meet at least three times per academic year with ESA staff to share challenges, give feedback, and to discuss ways to improve

the program for all ESA families. Information about the committee is available on our website at <https://www.azed.gov/esa/esa-parent-advisory-committee>.

## **Advocates**

~~ESA staff also protects ESA students' personally identifiable information by only communicating with ESA Account Holders and Applicants directly. This assistance may include an advocate participating in conversations ~~/or~~ correspondence regarding ~~thean~~ ESA account and ~~/or~~ assisting an ESA Applicant through the application, ~~but~~ process. However, ADE's expectations are that the Account Holder and ~~/or~~ ESA Applicant takes full responsibility and accountability for the ESA, and its use of scholarship funds, and accountability tied to the ESA. ~~While~~. Additionally, while ESA Applicants and Account Holders may use advocates for assistance throughout the ESA application process, ADE's expectation is that an Applicant or Account Holder is ADE always on the call requires Applicants or email Account Holders to be on calls or emails when communicating with ADE regarding his / her ESA their ESA applications or participation.~~

## Vocational and life skills education for ESA students with a disability

Pursuant to A.R.S. §15-2402(B)(4)(c)(iii), a qualified student with a disability can utilize his or her Empowerment Scholarship for vocational and life skills education, approved by the Department. Empowerment Scholarships can be spent on tuition for vocational and life skills at colleges, vocational schools, and districts, including Career and Technical Education Districts (CTEDs), and trade schools.

Vocational education programs prepare students to work in numerous trade jobs or crafts. Vocational education can also be referred to as "career education" or "technical education" provided by a vocational ~~or~~ trade school ~~or program.~~

A life skills education program is the building block that allows students to apply knowledge they acquire to real problems and situations. It is a form of education that encourages students with disabilities to effectively transition into adulthood by helping ~~students them~~ to develop sound judgment and good habits for long-term stability, wellness, and success.

Combined, both vocational and life skills education programs are designed to help a student develop skills or interest in technical, trade, or craft-like careers while learning necessary skills such as self-reflection, critical thinking, problem solving, and interpersonal skills. This allows a student with a disability to live and work independently.

~~Pursuant to A.R.S. §15-2402(B)(4)(c)(iii), qualified students with a disability are able to utilize ESA funds for vocational and life skills education, approved by the Department.~~

~~ESA funds can be spent on tuition at vocational, trade schools or programs such as, but not limited to:~~

- ~~• Career and Technical Education Districts (CTEDs)~~
- ~~• Community colleges Joint Technical Education Districts~~

## Additional information for parent of a student with a disability

It is important to understand ~~that~~, a child with a disability who participates in the ESA program does not have an individual right to receive some or all ~~of~~ the special education and related services that the child would receive if enrolled in a public school ~~(34 C.F.R. 300.137(a)). (34 C.F.R. §300.137(a))~~. Nevertheless, children with disabilities who participate in the ESA program may still receive certain special education services from their district of residence, as described below.

### Child find

In Arizona, public districts are responsible for identifying all children with disabilities within their geographic boundaries,<sup>27</sup> including children with disabilities who are attending private schools and those who are homeschooled. ~~A.A.C. R7-2-401(D)(1). This is known as “Child Find.” 20 U.S.C. §1412(a)(3); 34 C.F.R. § (A.A.C. R7-2-401(D)(1)).<sup>28</sup> This is known as “Child Find” pursuant to 20 U.S.C. §1412(a)(3); 34 C.F.R. §300.111(a).~~

When ~~an Account Holder enters~~ Holders enter into an ESA contract with ADE, they agree to release ~~the their~~ public school ~~district~~ districts or public charter ~~schools~~ schools from most obligations to educate and provide services for ~~the their~~ ESA ~~students~~ students. However, under ~~the IDEA~~ IDEA, a public district retains its responsibility to either:

- ~~• Evaluate a student for special education, or provide~~

<sup>27</sup> ~~Charter schools are responsible for child identification activities for students enrolled in the charter school. A.A.C. 47-2-401(D)(4)(a).~~

~~—Charter schools are not, however, responsible for outreach under the Child Find regulations because they have no specific geographic boundaries~~

<sup>28</sup> ~~A charter school is responsible for child identification activities for students enrolled in its charter school. A.A.C. 47-2-401(D)(4)(a). - Provide the student’s parents with a prior written notice refusing indicating that it refuses to conduct the parents’ requested evaluation upon receiving a written request from the student’s parent (A.A.C. R7-2- 401(E)(4))

If parents or guardian. (A.A.C. R7-2401(E)(4))

ESA does not require a new special education evaluation if one is already on file. If the parent or guardian of an ESA student believes guardians of an ESA student believe their child needs to be evaluated, they may refer to the table below to determine which public school district is responsible for conducting the evaluation to determine if the child is eligible for special education under the IDEA. ESA students without a disability cannot use ESA funds to pay for an independent third party (ARS 15-2401(7)(a)(ii)) to determine ESA eligibility as a child with a disability under “qualified student.” ESA students who qualified for the ESA program as a student with a disability under A.R.S. §15-2401(7)(a)(i)-(iii), may use ESA funds to pay for a private independent evaluation for ESA purposes as a child with a disability. See A.R.S. §15-2402(B)(4)(c)(iv).

Additionally, ESA students who qualified for the ESA program as a student with a disability under A.R.S. §15-2401(7)(a)(i)-(iii), may also use Empowerment Scholarships to pay for a private independent evaluation if they believe an updated evaluation is necessary. See A.R.S. §15-2402(B)(4)(c)(iv).

Please note: Pursuant to A.R.S. §15-2401(7)(a)(ii), ESA students without a disability, such as Universal ESA students, cannot use their Empowerment Scholarships to pay for an independent educational evaluation to determine whether they qualify for ESA eligibility as a child with a disability.

Children with disabilities who attend non-profit private schools ~~(with, whether or without annot they participate in the ESA), program,~~ are considered parentally-placed private school children with disabilities. These children and home-schooled children with disabilities do not have an individual right to receive some or all ~~of~~ the special education and related services that the child would receive if enrolled in at their ~~schools~~ schools.<sup>29</sup> However, they might still be eligible to receive some special education services provided by ~~the their~~ school ~~district~~ districts under the ~~IDEA's~~ IDEA's equitable services provisions.

- If your county ~~superintendents~~ superintendent's office does not have a list of approved independent third-party evaluators, then you can hire a qualified examiner to conduct an independent ~~education~~ educational evaluation. Qualified examiners are licensed physicians, licensed psychiatrists, and licensed psychologists.

**Changing your student's eligibility to a disability eligibility – Flowchart**

Visit <https://www.azed.gov/esa/esa-support> for instructions on how to change or update a student's disability classification, under 'Evaluations'.

### Preschool Severe Delay funding

“Severe delay” is a disability **only** assigned to pre-kindergarten students. Students in grades K-12 cannot be evaluated with this disability. As a result, students with a disability in the ESA program under the **specific disability category of Preschool Severe Delay classification** need to **be re-evaluated for any other disabilities they may have that qualify them for additional funding in grades K-12. Without a re-evaluation done by an Arizona public school or district when they enter their Kindergarten year (5 years of age on January 1 of current school year), or their indicating a disability applicable to students in grades K-12, a student’s account will be set to ‘base level funding’ not indicate the student has any disability.**

A re-evaluation is not a requirement to required for a preschool student with severe delay to continue with ESA, but in the ESA program; however, from kindergarten on, an evaluation indicating a disability applicable to students in grades K-12 is needed for any changes in funding, if the student is to continue to be eligible as the preschool severe delay category cannot move with a student into kindergarten. Please watch for any correspondence regarding this situation a student with a disability. Account Holders can also contact the ESA Support Line at 602-364-1969 or with a HelpDesk ticket submit an **ESA Support Ticket** to learn if a specific account will be affected.

## Developmental Delay funding

~~Students with a disability in the ESA program under the specific disability category Developmental Delay need to have a re-evaluation done by an Arizona public school or district prior to turning age 10, or their account will be set to 'base-level funding'. Pursuant to A.R.S. §15-2401(7)(a)(ii) and A.R.S. §15-761(3), this category is only for students between the ages of 3-9.~~

~~A re-evaluation is not a requirement to continue with ESA, but is needed for any changes in funding, as the preschool severe delay category cannot move with Pursuant to A.R.S. §15-2401(7)(a)(ii) and A.R.S. §15-761(3), the *Developmental Delay* disability classification is only applicable to students from the ages of 3 through 9 years old. If a parent believes that his or her student qualifies for another disability classification at age 10 or beyond, the parent must have the student re-evaluated to determine whether the student has another disability that allows him or her to participate in the ESA program as a student with a disability.~~

~~A parent is not required to have his or her student re-evaluated for another disability to remain in the ESA program. However, without an evaluation that the student has another disability which allows the student to remain in the program as a student into kindergarten. Please watch for any correspondence regarding this situation with a disability, he or she will not receive an Empowerment Scholarship award that reflects a disability classification. Account Holders can also contact the ESA Support Line at 602-364-1969 or the Help Desk inside the ESA portal submit a Support Ticket to learn if a specific account will be affected.~~

R7-2-1508(D) (see page 45 for deadline dates).~~

~~Account Holders must upload a corresponding receipt after every 20 transactions to avoid ClassWallet debit card deactivation and to continue making purchases with the debit card.~~

~~Remember, an accreditation / credential must be submitted for debit card transactions, even if the provider is a vendor in the ClassWallet platform. When~~

paying through the Marketplace or Pay Vendor, credentials are not required, as the provider or vendor submitted the required accreditation / credential upon registration.

**Reimbursement:** If an Account Holder cannot make a purchase or pay for an educational service using one of the ways listed above, they may be eligible for the reimbursement option.

To receive reimbursement, a bank account must be linked and verified with ClassWallet.

If an Account Holder has multiple children in the program, the bank account only needs to be linked once.

More information on reimbursement is available from ClassWallet  
<https://classwallet.my.site.com/classwallet/s/article/Submitting-receipts-for-reimbursement>

#### NOTES:

- Reimbursements can only be submitted for transactions made after the date that the ESA contract was signed
- Reimbursements can only be submitted during the contract term and cannot be submitted after the student has left the program
- For each reimbursement order, accreditation / credentials (if applicable) and a complete or itemized invoice must be uploaded into the ClassWallet platform.

#### Payments to Schools and Providers

Once payment is submitted and approved by ESA staff, payment to the providers and schools will be released by ClassWallet. Schools and providers typically receive payment within 2-5 business days. Schools and providers receive a list of their students showing payment date and amount.

#### Registration in ClassWallet (Vendors, Providers, Schools)

A student's private school or provider(s) must be registered in ClassWallet in order to use the platform to make a payment to them. We recommend checking with the school or provider to see if they are registered.

A school, provider and / or vendor can register in ClassWallet at Service Provider Pre-Registration. If a provider or school has not registered in ClassWallet and they would like more information on how they can register, please ask them to contact ClassWallet at [help@classwallet.com](mailto:help@classwallet.com) or 1-877-969-5536.

ClassWallet charges a 2.5% processing fee to vendors, providers, and schools, and not directly to the ESA Account Holder. However, the vendor has discretion to charge Account Holders a processing fee to offset this expense.

### **ClassWallet Prepaid Debit Cards**

Account Holders must request a debit card directly from ClassWallet. Cards are shipped directly to the address on record within 10-14 business days.

The card will include the first and last names of the Account Holder and the student that the account is associated with. Private schools and / or vendors are not allowed to keep debit cards. The ClassWallet debit card must always be in an Account Holder's possession.

The card debits against the Account Holder's virtual wallet balance. Inside the ClassWallet portal, an Account Holder can view debit card transactions, upload receipts in the platform and associate receipts with specific debit card charges.

If at any time the debit card feature is suspended, an Account Holder can continue to make purchases using the Marketplace and Pay Vendor features. Keep in mind that Account Holders must agree to the ClassWallet debit card Terms and Conditions to access the feature. Failure to comply may result in suspension of debit card privileges.

#### **ESA cards can be used in the following ways:**

- Point of Sale (swiping the card or manually inputting card number)
- PayPal
- Square / VENMO

**Merchant Category Code (MCC) Restrictions**—As part of the contract between ClassWallet and the Arizona State Treasurer, the debit card has certain MCC restrictions to minimize the risk of debit cards being used to make unallowable purchases. MCC restrictions include code 8211 (Schools, Elementary and Secondary), as payments to private schools should be made through Pay Vendor in the ClassWallet portal. If the debit card does not work at a specific business or vendor because of a restricted MCC, an allowable item will need to be purchased another way, such as out of pocket, which the Account Holder can then submit for reimbursement.

All MCC exceptions that are granted by the Department will be extended to all Account Holders. The Department will notify all Account Holders of the inclusion of these new MCCs by email. A complete list of approved MCCs is available on the ADE website and will be updated if a new code is added.

For MCC questions or concerns, or to request that a restricted code be allowable, please visit <https://www.azed.gov/esa/esa-support>.

**Submitting invoices and receipts**—For all debit card transactions, Account Holders must submit a complete paid invoice or receipt in the ClassWallet

platform. Additionally, when paying a tutor or other applicable educational service provider with a debit card, Account Holders must also submit a copy of the tutor's or educational service provider's accreditation or credential for each applicable transaction. **Paid invoices, receipts, and any accreditation or credential documentation must be submitted by the deadline set forth in A.A.C. R7-2-1508(D)** (see *Deadline for Debit Card Transactions table below*). Failure by Account Holders to submit required documents by established deadlines will result in Account Holders being required to repay an amount equal to purchases for which documentation was not submitted.

### Deadline for debit card transactions

Quarter	Purchasing dates	Deadline for receipts <u>and</u> <u>documentation</u>
1	July 1-September 30	October 31
2	October 1-December 31	January 31
3	January 1-March 31	April 30
4	April 1-June 30	July 31

#### **IMPORTANT:**

- ~~Debit card holders must upload receipts after every 20 transactions to avoid deactivation and to continue making purchases with the debit card.~~
- ~~All debit card transactions must have a receipt uploaded by the deadlines listed above.~~
- ~~Receipts must be submitted in the ClassWallet platform at <https://www.azed.gov/esa/portal/>.~~

~~Account Holders will be notified by email if there are any outstanding receipts each quarter. If an Account Holder fails to submit the outstanding debit card receipts following the quarterly deadline, the Department is required to notify the Account Holder. The Account Holder will then have a grace-period of 15 days to submit any outstanding receipts. If the Account Holder fails to submit the receipt, the Department will suspend the debit card and may close the account.~~

#### **Allowable Forms of Payment for ClassWallet Debit Card**

~~ESA cards can be used in the following ways:~~

- ~~Point of Sale (swiping the card or manually inputting card number)~~
- ~~PayPal~~
- ~~Square / VENMO~~

#### **NOTES:**

- ~~As part of the contract between ClassWallet and the Arizona State Treasurer, the debit card does have limitations and certain MCC codes are restricted due to the potential risk to parents of misspending unintentionally.~~

- ~~Code restrictions include code 8211 (Schools, Elementary and Secondary), as payments to private schools should be made through Pay Vendor in the ClassWallet portal.~~
- ~~If the debit card doesn't work at a specific business or vendor because of a restricted MGC code, the item will need to be purchased another way.~~

~~For MGC code requests, questions, or concerns, please submit a HelpDesk ticket at [http:// helpdesk.azed.gov/](http://helpdesk.azed.gov/). Please include the organization or business name and the MGC code they are registered under so that we can fully research the request.~~

~~All MGC code exceptions and allowed requests will be extended to all Additionally, Account Holders. The Department will notify all account holders of the inclusion of these new MGC codes via an email blast within 5 business days. A complete list of approved MGC codes is available on the ADE website and will be updated if a new approved code is added.~~

### **Prohibited Use**

Debit cards will be suspended for:

Failure to upload receipts must submit supporting documentation for debit card purchases after every 20 consecutive transactions, even if it results in them submitting prior to established deadlines. Failure to submit receipts for debit card all supporting documentation after the 20-transactions by the quarterly deadline will result in the Account Holder's ClassWallet debit card being deactivated.

- ~~Attempted cash withdrawal~~
- ~~Non-compliance with the ClassWallet Terms and Conditions~~

### **NOTE:**

**Improper use of debit cards and suspension**—Cash withdrawals, cash advances, or ~~cashier purchase of cashier's~~ checks are prohibited with your ClassWallet debit card. Any Account Holder attempting to make a cash withdrawal will have their debit card automatically suspended and the Account Holder will need to notify ClassWallet directly for reactivation. The Department will issue a 15-day suspension letter via email to the Account Holder stating the reason for the suspension. The Account Holder will then have 15 days in which to respond ~~and /~~ or take action. Failure to contact the Department by the date stated on the letter may result in termination of the ESA.

## Chapter 4: Expense Submissions

**Note:** Private schools and vendors are never allowed to keep debit cards on behalf of Account Holders. The ClassWallet debit card must always be in the Account Holder's possession.

Additionally, the functionality of a debit card at point of sale does not validate the allowability of a purchase.

**Reimbursement:** If Account Holders cannot make a purchase or pay using one of the three ways listed above, they may be eligible to make purchases using their personal money or credit card. They must then submit itemized receipts or payment receipts accompanied by an itemized invoice to the ESA program for reimbursement from their accounts.

To receive reimbursement, Account Holders must link their bank accounts to their ClassWallet accounts, and ClassWallet must verify the bank account's authenticity.

If an Account Holder enters into an ESA contract with the Department, the has multiple children in the program, the bank account only needs to be linked once.

**When submitting purchases for reimbursement, Account Holders MUST submit:**

- Receipts only for transactions made after the date they signed their ESA contracts.
- Complete itemized receipts or payment receipts accompanied by itemized invoices.
- All other necessary documentation such as curricula, therapist letters recommending supplemental material, educational service provider's credentials, business accreditation, etc.

Invoice requirements are available under the *Invoice Requirements* section. Receipt requirements can be found under the *Receipt Requirements* section.

### Vendor registration in ClassWallet

If no spending occurs in a particular quarter, has discretion to charge Account Holders are required to attest in the ESA portal that no funds were spent<sup>33</sup> a processing fee to offset this expense.

<sup>33</sup> A.A.C. R7-2-1508(J) does not waive the Account Holder's obligation to submit an attestation for "no expense" quarters to the Department, attesting no ESA funds were spent during the quarter

### Unallowable spending that may result in account suspension or termination

To protect the ESA program and taxpayer dollars/public monies, the Department pursues all ~~mispending and disallowed expenditures~~ unallowable spending of Empowerment Scholarships that it finds. If ESA staff identify unallowable spending during purchase reviews or audits, they will suspend the applicable accounts and notify Account Holders of suspension and possible termination, along with appeal rights or other possible due process remedies. If after due process is completed, improper spending is not repaid to the ESA program, the Department will refer these cases to the State Board of Education to approve a referral to the Attorney General's Office for collections. Additionally, the Department has a zero-tolerance policy on substantial misuse of ~~funds~~ Empowerment Scholarships with the intent to defraud. ~~These~~ In these circumstances, the Department refers cases are automatically referred to the State Board to approve a referral directly to the Attorney General's Fraud Unit Office.

**Chapter 7**  
**Leaving the ESA**  
**Program**

A student leaves the ESA program 1 of 4 ways:

**Withdrawal:** Account Holder requests that his or her student's ESA contract be sent.

~~As of the 2021-2022 School Year, any funds that remain in accounts that have been closed for non-renewal, will be held for three academic years. If there is no renewal after three academic years, a notice will be sent. If there is no response within 60 days of this final notice, any remaining monies will be returned to the State.<sup>36</sup>~~

### **Exited Contracts**

~~Exited Contracts are for Account Holders who have a student who no longer qualifies for a K-12 education, because they have graduated high school or earned a GED, but they still have remaining funds that can be spent towards the student's post-secondary education. Exited students do not receive any additional funding but are eligible to continue to spend funds per their contract and handbook agreement.<sup>37</sup>~~

~~If remaining funds are spent using a ClassWallet prepaid debit card, the Account Holder is still contractually obligated to upload the receipts for these expenses on a quarterly basis. Failure to do so can result in suspension and subsequent termination of the ESA account. If the student graduates high school or earns their GED, please notify the ESA team as soon as possible so that an exited contract can be sent.~~

### **NOTE:**

~~See "Students with a Disability (after 12th grade)" on page 35 if the student is a qualified student with a disability and will not graduate high school or earn their GED at the completion of 12th grade.~~
