

2025 Indigenous STEM Project

*The Office of Indian Education and the
Arizona Science Center presents:*

STEM Educators Showcase

Tuesday, March 25, 2025
5:00 PM - 6:30 PM (MST)

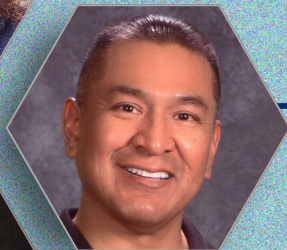

**Free virtual
event!**

Join us for an engaging panel discussion where Indigenous-serving educators share their experiences in integrating culturally relevant science, technology, engineering, and mathematics (STEM) into their classrooms. PreK-12 educators are invited.

Angel Carrasquillo

9-12th STEAM Teacher, Skyline
Gila River

Tyrone Joe

K-8 Computer Science Teacher,
Sanders Unified School District

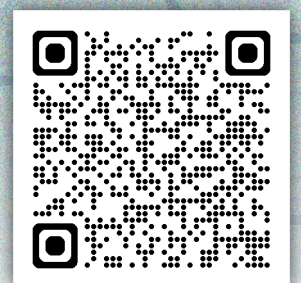

Sanjiv M. Thompson-Ruiz

K-5th STEAM Teacher, Whiteriver
Unified School District

To register, scan the QR code:

Upon registering, you will receive a confirmation email titled "Indigenous STEM Educators Showcase Confirmation," which includes the Zoom meeting links.
